Introduction

The Library's *Terms & Conditions of Use* set the conditions for the usage of Library materials, equipment and public spaces. They are designed to preserve and protect the Library's materials, equipment, facilities and property and to support a safe and welcoming environment for all. The *Terms & Conditions of Use* are administered by the Director of Library Services.

The Library Board approves policy as outlined in the *Library Board Policy Manual*. Policy Sections covered by the *Terms & Conditions of Use* include the following:

- 4.4 Rules for Use of Group Space
- 4.5 Rules for Borrowing Physical Materials
- 4.6 Rules for Acceptable Use of Public Internet and Computers
- 5.3 Room Rentals

1. Borrowing

The terms and conditions for borrowing provide a mechanism for ensuring equitable access and fair use of collections. They are intended to make materials widely available to the community; maximize the use of collections and services; and secure the return of materials.

The terms and conditions cover activities relating to the registration of Library users and the borrowing and use of Library collections and services. They set:

- conditions and use of library cards
- borrowing privileges, responsibilities and restrictions
- a schedule of fees, which is subject to the approval of the Library Board

Borrowing limits, periods and overdue fees are reviewed on a regular basis to ensure that they are reasonable, effective and in line with nearby libraries.

1.1 Library Cards

1. West Vancouver Residents

A library card is free to all residents of West Vancouver, including those who own property, operate a business, are employees of the Municipality or the West Vancouver School Board, and are a student of a West Vancouver school. A Photo ID and proof of current address is required to register.

Persons up to and including age 11 are issued a youth library card. Issuance of a youth library card requires the consent of a parent or guardian. An adult library card is issued on or after age 12.

2. Lower Mainland Residents

Library cards are also free to all residents of Bowen Island, Burnaby, Coquitlam, Fraser Valley, Gibsons, Lillooet, New Westminster, North Vancouver City, North Vancouver District, Pemberton, Port Moody, Richmond, Sechelt, Squamish, Surrey, Vancouver and Whistler. Libraries in these municipalities comprise [Interlink](#).

If you live within the InterLINK system, you can register for a library card at any InterLINK Library by presenting appropriate identification (usually photo ID with current address). You may register using your home library card or, depending on the library, obtain a separate card from each library.

3. Non-residents

If you are a resident of a community not served by InterLINK (e.g. Lions Bay, Belcarra), annual membership fees are \$50.00 for adults; \$25.00 for children who are not students of West Vancouver schools.

4. BC OneCard

BC residents with an active card at their home library are eligible to borrow materials from any library in the province through the [BC OneCard](#) service.

Each library determines what kind of materials may be borrowed. At West Vancouver Memorial Library, BC OneCard patrons from other library systems may borrow materials in any format, with the exception of eReaders, tablets, Playaways and technology kits, to a maximum of 10 items at a time. Holds cannot be placed on items with a BC OneCard.

5. Visitor's Cards

For temporary or non-BC residents, visitor's cards provide full borrowing privileges for three months. Visitor's cards may be purchased for \$40, of which \$20 is refundable when the card is returned in good-standing. Visitors who would like access to the internet and public computers may obtain an Internet Access card at no charge.

6. Internet Access Card

People wishing to use the Library's public computers who are not eligible for a West Vancouver Memorial Library card may obtain a free guest Internet Access card.

The Internet Access card allows the holder to use the Library's public computers; it does not include borrowing or remote database privileges. To register, one piece of personal ID is requested (photo or address ID is not essential.) The card expires one year after the date of registration. A parent's consent is required for anyone under 12 years of age.

7. Library Card Renewals

Library cards expire after 5 years. Please visit the Account Services Desk with a photo ID and proof of address if your card has expired.

All card holders are responsible for reporting changes to contact information, including address, telephone number and email address.

8. Lost Cards

To prevent unauthorized use of your library card, please report its loss immediately; cardholders are responsible for all materials checked out on their card. Replacement cards cost \$3.

2. *Library Spaces and Sound Levels*

The Library spaces have a wide variety of purposes and accommodate people of many ages. To balance these differing needs, the Library has designated uses for spaces within the facility and associated sound levels.

2.1 Library Spaces

Library spaces available to people include meeting rooms, quiet spaces, group study and work spaces as well as gathering spaces. These spaces provide for the individual needs of the people whether they are working, studying, relaxing, socializing or conducting a meeting. The following sections provide guidance on the terms and conditions for the use of these spaces.

Meeting Rooms

Meeting rooms are available for rent providing the public with a dedicated space to conduct business, information sessions or provide a service.

Renters fall into two groups:

- Business
- Private/Non-Profit/Educational

Two corresponding rate categories have been established for the use of the spaces.

Business users are defined as a commercial enterprise, political party, governmental agency, an elected official or an election candidate; this category may host a meeting or an information session for a discrete group or for the general public. Charging for the sale of products, the provision of services, event registration and all other types of financial remuneration are not permitted. Election candidates are not permitted to lobby for votes.

Private users are defined as an individual or a group who is neither a commercial enterprise, nor a political party, governmental agency, an elected official or an election candidate, nor a Non-Profit nor an educational service provider; this category may host a meeting or an information session for a discrete group. Charging for event registration and membership fees is permitted. Charging for the sale of products and the provision of services is not permitted.

Non-Profit and Educational users are defined as an individual or a group who is a registered Non-Profit, a society or an educational service provider. Proof of Non-Profit status must be provided by Non-Profit organizations. This category may host a meeting or an information session, and/or provide a service for a discrete group or for the general public. Charging for event registration, membership fees and provision of services are permitted. Collecting donations is only permitted for a discrete group and not when the activity is open to the general public. Use of the room primarily for the sale of product(s) is not permitted.

Fundraising events, direct solicitation of money and charging an admission fee at the door are not permitted in either category.

Renters acknowledge that the Library reserves the right to determine whether an event, the “Event”, interferes with the use of the Library or if the planned services or programmes replicate Library offerings. Booking approval for an Event that replicates Library offerings is subject to the sole and absolute discretion of the Library.

The number of attendees for an Event will not exceed the posted room capacities and exits will be kept clear. Alcoholic beverages, illegal substances and smoking or open flames are not permitted on Library premises.

Failure to abide by any of these conditions may result in the refusal or cancellation of a booking.

Room Charges

The following table details the rental charges, inclusive of \$25 deposit and taxes, for the meeting rooms

MEETING ROOM	MINIMUM RENTAL	BUSINESS	PRIVATE/EDUCATIONAL/NON-PROFIT
		Rate	Rate
McDonald Creek	1 hour	\$30/hr	\$25/hr

Welsh Hall	2 hours	\$60/hr	\$40/hr

Additional Charges

Additional charges may include the following:

- A catering fee of \$20 will be applied if the Renter wishes to provide food and/or beverages at an Event; this fee will be waived if the Library’s café, *Caffination*, provides the food and beverage service
- A staffing fee of \$50 per hour will be added to the room rental charge for an Event extending past the Library’s regular business hours. Requests for after-hour use must be made at the time of booking and approval will depend on available staffing. If the Renter and/or attendees does not vacate the meeting room 30 minutes prior to the Library’s closing time, the Renter may be subject to after-hour charges.

Cancellation and Refunds

If the Renter cancels the booking at least seven (7) days prior to the Event then the Renter will be entitled to a full refund less the paid deposit. No refunds are issued for bookings cancelled within seven (7) days of the event.

If the Library cancels or refuses a booking a full refund will be issued; failure to pay or other default by the Renter will not result in the issuance of a refund.

Advertising

The Library, by permitting the Renter to hold an Event at the Library, does not in any way endorse the Event. Any advertising or promotion of the Event may solely refer to the Library as being the venue for the Event and in no way imply that the Library either sponsors or endorses the Renter of the Event.

Intellectual Property

The Renter is responsible for securing all applicable permissions and licenses for the user, publication, transmittal, distribution and display of all material used at the Event, whether written, audio, visual or audio-visual. The Renter is also responsible for the payment of all fees, royalties and other charges that are required to be paid in respect of copyright, trademark, industrial design or any other intellectual property of any kind.

Damages

The Library shall not be responsible for any loss or damage to the Renter's materials or equipment.

Indemnity

- The rental of the meeting room by the Renter;
- The Renter's breach of any of the provisions set out in these Terms and Conditions of Use; or
- Any advertisements or promotions posted by the Renter or submitted by the Renter to the Library which the Library posts on its premises or on its website; or
- The Renter's violation of any third-party rights, including without limitation, any intellectual property, personal property or privacy right.

2.2 Sound Levels

Sound levels in the Library spaces should be maintained at levels commensurate with the purpose of the space. Meeting rooms will involve presentations and open dialogue and discussion between the participants which in a closed space is expected.

- Quiet spaces are intended for those seeking space to focus and concentrate on their work or readings; conversations and eating are not permitted so as not to disturb the users of these spaces.
- Gathering spaces are places for people to socialize or collaborate where conversations are encouraged but at levels so as not to interfere with other's enjoyment of the Library and its spaces.
- Group study and work spaces are places for people to study and/or work where conversation may be a part of the collaborative learning environment although the levels should not interfere with other's enjoyment of the Library.

3. Youth Department

3.2 Kids Area

This space is designed for use by youth, families, caregivers and educators.

The Picture Book Circle offers many educational and literacy play opportunities. Noise is common in this area, especially before and after Storytime.

The computer workstations in the Kids Area are only for use by children. Adults are only permitted to use these workstations if they are accompanying a young person requiring assistance.

3.3 Room 14

Room 14 is the Library's dedicated teen space, created after hearing from almost 400 young people in West Vancouver.
