

Fun with Song Maker | Ages 9-12

Song Maker is a simple way to make and share music.

Get Started

Before class:

- Watch this video to learn about Song Maker: *Chrome Music Lab: Create your own songs with Song Maker*: <https://www.youtube.com/watch?v=BqncqSxlwgc>
- Check that Song Maker works on your device and in your browser
- Read the handout

Now you try!

Open an Internet browser (Chrome, Firefox, Edge, etc.).

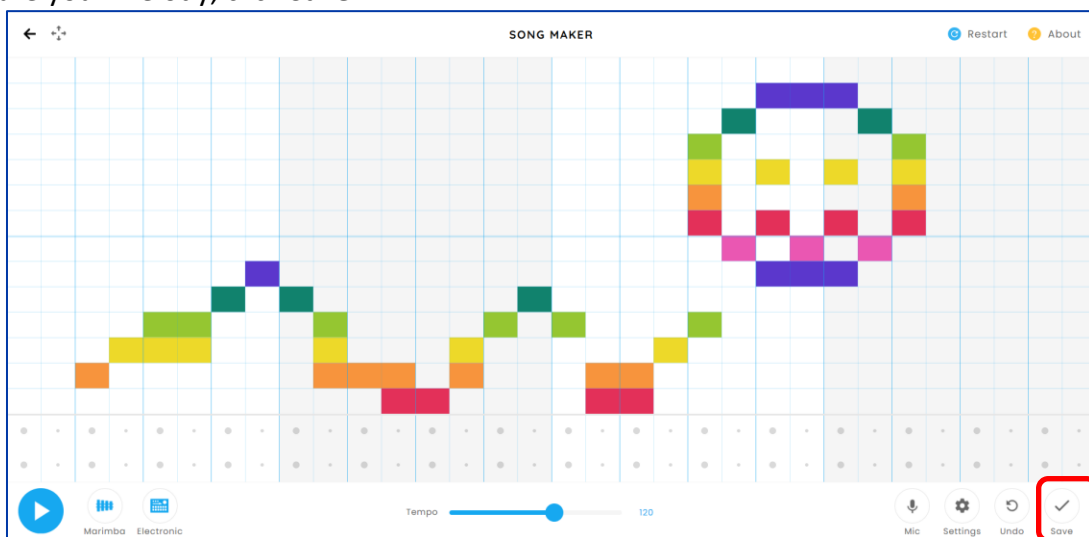

Go to g.co/songmaker

Create your own melody!

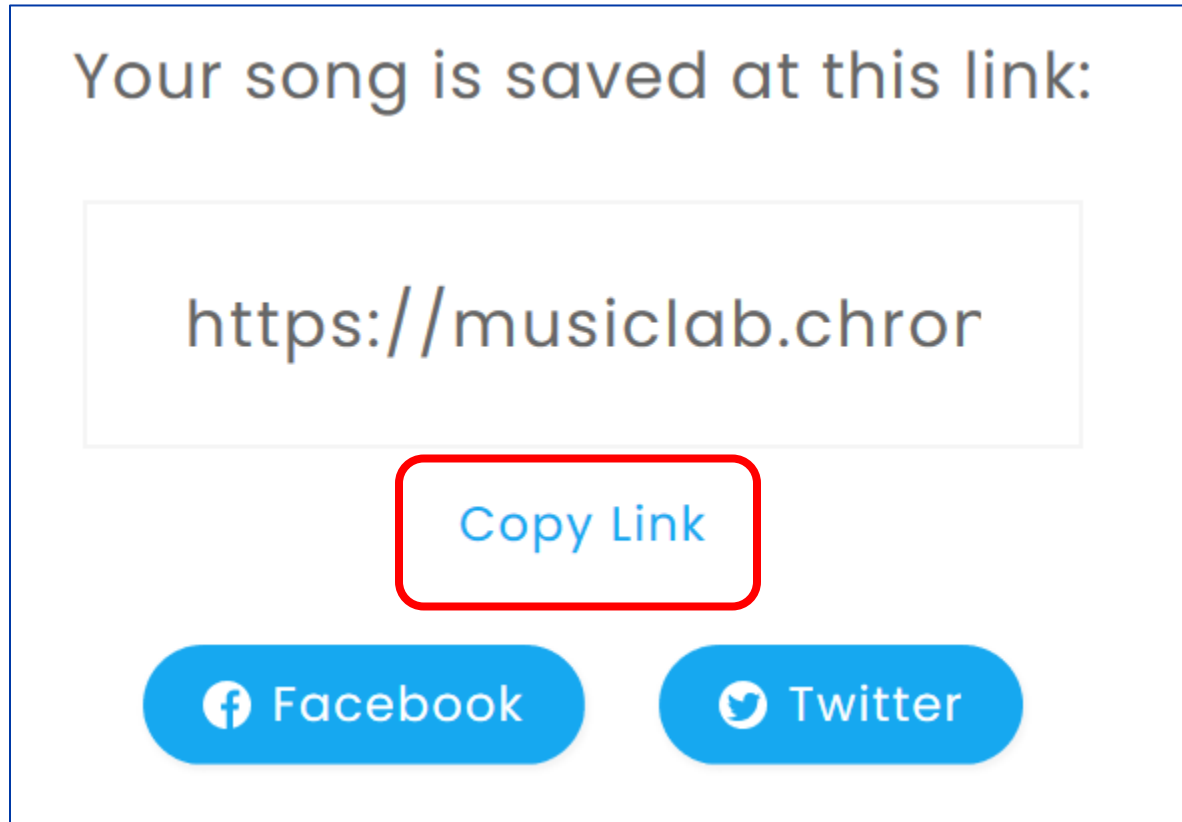

Share A Melody

During the program, you'll be asked to share some music.

To share your melody, click **Save**.

A pop up window will appear. Click **Copy Link**.

Use the keyboard paste shortcut (**CTRL V**) to paste your link in the Zoom chat.
